Barber & Shop Owner FAQs: Help by Product

Barber Guide · https://haircutnow.com/docs/barber-shop-owner-faqs-help-by-product/

Choose your product below for answers about setup, account access, daily use, and subscriptions. Each section links to the full help guides.

For customer booking questions, visit Client Booking FAQs. For an account or product-access issue, contact support@haircutnow.com with the product, business or listing, and the message shown.

Getting started by product

Haircut Now Biz: Sign in, complete your barber profile, and prepare your business tools.

Free individual listing: Create or claim your listing and connect your account. **Premium individual booking:** Set services, availability, and online booking.

Digital Barber Card: Start Free Basic or standalone Pro and compare eligibility and pricing.

Walk-In Manager: Choose kiosk or QR, set shop location, and prepare your team.

Booth Rental Manager: Set renters, balances, and rent terms. Renters start with My Booth Rent.

Shop Operations: Set up WIM and BRM for the same shop.

Shop Complete: Connect shop setup and prepare Shop Booking.
